BY THE KING.

A PROCLAMATION.

GEORGE, R. I.

Whereas we are happily at Peace with all Sovereigns, Powers and States :

And whereas a State of War unhappily exists between His Majesty The King of Italy, and His Imperial Majesty The Sultan of Turkey, and between their respective Subjects, and others inhabiting within their Countries, Territories or Dominions :

And whereas We are on Terms of Friendship and amicable intercourse with each of these Powers, and with their several Subjects, and others inhabiting within their Countries, Territories or Dominions :

And whereas great Numbers of Our Loyal Subjects reside and carry on Commerce, and possess Property and Establishments, and enjoy various Rights and Privileges, within the Dominions of each of the aforesaid Powers, protected by the Faith of Treaties between Us and each of the aforesaid Powers :

And whereas We, being desirous of preserving to Our Subjects the Blessings of Peace, which they now happily enjoy, are firmly purposed and determined to maintain a strict and impartial Neutrality in the said State of War unhappily existing between the aforesaid Powers :

We, therefore, have thought fit, by and with the advice of Our Privy Council, to issue this Our Royal Proclamation :

And We do hereby strictly charge and command all Our loving Subjects to govern themselves accordingly, and to observe a strict neutrality in and during the aforesaid War, and to abstain from violating or contravening either the Laws and Statutes of the Realm in this behalf, or the Law of Nations in relation thereto, as they will answer to the contrary at their peril :

And whereas in and by a certain Statute made and passed in a Session of Parliament holden in the 33rd and 34th year of the reign of Her late Majesty Queen Victoria, intituled "An Act to Regulate the conduct of Her Majesty's Subjects during the existence of Hostilities between Foreign States with which Her Majesty is at Peace," it is, among other things, declared and enacted as follows :

"This Act shall extend to all the Dominions of Her Majesty, including the adjacent territorial Waters.

"Illegal Enlistment.

"If any Person, without the License of Her Majesty, being a British Subject, within or without Her Majesty's Dominions, accepts or agrees to accept any Commission or Engagement in the Military or Naval Service of any Foreign State at War with any Foreign State at Peace with Her Majesty, and in this Act referred to as a friendly State, or whether a British Subject or not, within Her Majesty's Dominions, induces any other Person to accept or agree to accept any Commission or Engagement in the Military or Naval Service of any such Foreign State as aforesaid,—

"He shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such punishments, at the discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour.

"If any Person without the License of Her Majesty, being a British Subject, quits or goes on board any Ship with a view of quitting Her Majesty's Dominions, with intent to accept any Commission or Engagement in the Military or Naval Service of any Foreign State at War with a friendly State, or, whether a British Subject or not, within Her Majesty's Dominions, induces any other Person to quit or to go on board any Ship with a view of quitting Her Majesty's Dominions with the like intent,—

"He shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such punishments, at the discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour.

"If any Person induces any other Person to quit Her Majesty's Dominions or to embark on any Ship within Her Majesty's Dominions under a Misrepresentation or false Representation of the Service in which such Person is to be engaged, with the intent or in order that such Person may accept or agree to accept any Commission or Engagement in the Military or Naval Service of any Foreign State at War with a friendly State,—

"He shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such punishments, at the discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be with or without Hard Labour.

"Such Person shall be deemed to have committed an Offence against this Act, and the following Consequences shall ensue:

"(1) The Offender shall be punishable by Fine and Imprisonment, or either of such punishments, at the discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour.

"(2) The Ship in respect of which any such Offence is committed, and her Equipment, shall be forfeited to Her Majesty:

"Provided that a Person building, causing to be built, or equipping a Ship in any of the cases aforesaid, in pursuance of a contract made before the commencement of such War as aforesaid, shall not be liable to any of the Penalties imposed by this Section in respect of such building or equipping if he satisfies the conditions following; (that is to say),—

"(1) If forthwith upon a Proclamation of Neutrality being issued by Her Majesty he gives Notice to the Secretary of State that he is so building, causing to be built, or equipping such Ship, and furnishes such Particulars of the Contract and of any matters relating to, or done, or to be done under the Contract as may be required by the Secretary of State:

"(2) If he gives such security, and takes and permits to be taken such other measures, if any, as the Secretary of State may prescribe for ensuring that such Ship shall not be despatched, delivered, or removed without the License of Her Majesty until the termination of such War as aforesaid.

"Where any ship is built by order of or on behalf of any Foreign State when at War with a friendly State, or is delivered to or to the order of such Foreign State, or any person who to the Knowledge of the Person building is an Agent of such Foreign State, or is paid for by such Foreign State or such Agent, and is employed in the Military or Naval Service of such Foreign State, such Ship shall, until the contrary is proved, be deemed to have been built with a view to being so employed, and the Burden shall lie on the Builder of such Ship of proving that he did not know that the Ship was intended to be so employed in the Military or Naval Service of such Foreign State.

"If any Person within the Dominions of Her Majesty, and without the License of Her Majesty,—

"By adding to the number of the Guns, or by changing those on board for other Guns, or by the addition of any Equipment for War, increases or augments, or procures to be increased or augmented, or is knowingly concerned in increasing or augmenting the warlike Force of any Ship which at the time of her being within the Dominions of Her Majesty was a Ship in the Military or Naval Service of any Foreign State at War with any friendly State,—

"Such Person shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such punishments, at the Discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour.

"If any Person within the limits of Her Majesty's Dominions, and without the License of Her Majesty,—

"Prepares or fits out any Naval or Military Expedition to proceed against the Dominions of any friendly State, the following Consequences shall ensue:

"(1) Every Person engaged in such preparation or fitting out, or assisting therein, or employed in any capacity in such Expedition, shall be guilty of an Offence against this Act, and shall be punishable by Fine and Imprisonment, or either of such punishments, at the discretion of the Court before which the Offender is convicted; and Imprisonment, if awarded, may be either with or without Hard Labour.

"Any person who aids, abets, counsels, or procures the Commission of any Offence against this Act shall be liable to be tried and punished as a principal Offender."

And whereas by the said Act it is further provided that Ships built, commissioned, equipped or despatched in contravention of the said Act, may be condemned and forfeited by Judgment of the Court of Admiralty; and that if the Secretary of State or Chief Executive Authority is satisfied that there is a reasonable and probable cause for believing that a Ship within Our Dominions has been or is being built, commissioned, or equipped, contrary to the said Act, and is about to be taken beyond the limits of such Dominions, or that a Ship is about to be despatched contrary to the Act, such Secretary of State or Chief Executive Authority shall have power to issue a warrant authorizing the seizure and search of such Ship and her detention until she has been either condemned or released by Process of Law. And whereas certain powers of seizure and detention are conferred by the said Act on certain Local Authorities;

Now, in order that none of Our Subjects may unwarily render themselves liable to the Penalties imposed by the said Statute, We do hereby strictly command that no Person or Persons whatsoever do commit any Act, Matter, or Thing whatsoever contrary to the Provisions of the said Statute, upon pain of the several Penalties by the said Statute imposed and of Our high Displeasure.

And We do hereby further warn and admonish all Our loving Subjects, and all Persons whatsoever entitled to Our Protection, to observe towards each of the aforesaid Powers, their Subjects, and Territories, and towards all Belligerents whatsoever with whom We are at Peace, the Duties of Neutrality; and to respect, in all and each of them, the Exercise of Belligerent Rights.

And We hereby further warn all Our loving Subjects, and all Persons whatsoever entitled to Our Protection, that if any of them shall presume, in contempt of this Our Royal Proclamation, to do any acts in derogation of their Duty as Subjects of a Neutral Power in a War between other Powers, or in violation or contravention of the Law of Nations in that behalf, all Persons so offending will rightfully incur and be justly liable to the Penalties denounced by such Law.

And We do hereby give Notice that all Our Subjects and Persons entitled to Our Protection who may misconduct themselves in the Premises will do so at their peril, and of their own wrong; and that they will in no wise obtain any Protection from Us against such Penalties as aforesaid.

Given at Our Court at *Balmoral*, this third day of October, in the year of Our Lord One thousand nine hundred and eleven, and in the Second year of Our reign.

GOD SAVE THE KING.

SPECIFICATION OF LAND DISAFFORESTED.

Name of reserve or part of reserve disforested.	District.	Taluk	Village.	Area in acres	Boundaries.

Brief description.—The whole of Survey No. 518-F measuring about 23·00 acres and a small portion of land in Survey No. 518 lying between survey Nos. 501 and 518 F and measuring about 1·80 acres

Reasons for disforestation.—Survey No. 518 F was held on patta for a long time and the pattadar was paying assessment for it until it was discovered in 1910 that the patta had been granted by mistake and the land was really a reserved forest. The patta was then cancelled. The former pattadar now applies for the grant of a special patta under the Forest Act. As it is not desirable to have private holdings within a reserve and, especially as in the present case the land lies close to the reserve boundary, it is proposed to exclude it from the reserve together with the small strip of land lying between it and survey No. 501.

3	Do. Cuddalore ..	..	..	26	26	
4	Do Villupuram ..	..	8	29	35	

2. The period of training is one year in the case of the students of the secondary and the elementary higher grades and two years in the case of the students of the elementary grade lower. Candidates admitted for training into the Cuddalore school will have to go either to Villupuram or to some other Tamil Training school in case that school is closed

3. The Inspector of Schools, Sixth Circle, will make the selection on the recommendation of the subordinate Inspecting officers

4. The Sub-Assistant Inspectors are requested to submit to the Assistant Inspector two lists—one of selected and the other of rejected candidates.

5. The list of selected and rejected candidates should be revised and submitted in a consolidated form by the Assistant Inspectors to the Inspector before the due date. The names of selected candidates should appear in the list in the order in which the subordinate inspecting officers wish they should be taken, *i.e.*, they should be selected in reference to their general education attainments, their service as teachers, the need for their training and the nature of their appointment and the school from which they apply for training. Candidates who do not satisfy the condition of age limit under rule 114 of the Madras Educational rules should not, except in very special circumstances, be included in the list and the selection should be regulated as far as possible by rule 115. In the case of rejected candidates, the reasons for rejection should be mentioned against each.

6. To provide for the contingency of some of the candidates selected not joining the training school, a few more than the sanctioned number will be selected by the Inspector of Schools from each range. All selected candidates who present themselves at the training schools on the opening day will be admitted; those who present themselves later will be admitted in the order in which they present themselves but only up to the number of sanctioned vacancies.

7. The list should include no one who has not been a teacher before or concerning whom there is a doubt whether he really intends to make teaching his profession.

8. In the selection of candidates for training next year, those who are awarded stipends this year but were refused admission on account of their not appearing in time might have a first claim for admission.

9. In addition to provincial stipendiaries, candidates whose stipends are paid by local or municipal boards will be admitted for training as also private candidates as free students.

10. As regards qualifications for admission only those candidates who have passed the annual examination of the third form or seventh standard and have been found fit for promotion to the fourth form or have been awarded an elementary school leaving certificate of the seventh standard are eligible for admission in the elementary higher class and only those who have passed the late Primary examination or a corresponding public or school examination or whose attainments in the opinion of the Inspecting officers are not lower than these are eligible for admission into the elementary lower class. Persons holding such secondary school leaving certificates signed by the Secretary to the Board for the award of such certificates as are accepted by the Inspector may also be selected. Preference should be given, as much as possible, to candidates whose educational attainments are above these minimum requirements. The certificate of general education should be sent in original with the application. The certificate of physical fitness need be produced only by the candidates chosen as stipendiaries. Separate conduct certificates need not be submitted by candidates whose applications are signed by an Inspecting officer.

11. In cases in which the number of candidates applying for training is in excess of the number for whom there is provision, the selection should be made on the result of an entrance examination conducted by the Sub-Assistant Inspector of Schools.

12. Printed forms of applications can be obtained by the correspondents of secondary schools from the Inspector of Schools and all others should apply to Sub-Assistant Inspectors of Schools of their ranges. No notice will be taken of the requisitions for application forms sent to this office other than by the correspondents of secondary schools.

13. Applications completed in accordance with the above instructions should reach the Inspector before the 15th December 1911.

14. Admission into Training Schools for masters under private management will be regulated by rules 2, 10 and 11 in addition to those contained in chapter X of the Madras Educational rules.

10. As regards qualification for admission, only those candidates who have passed the annual examination of the third form or seventh standard and have been found fit for promotion to the fourth form or have been awarded an elementary school-leaving certificate of the seventh standard are eligible for admission into the elementary higher class and only those who have passed the late Primary school examination or a corresponding public or school examination or whose attainments in the opinion of the Inspecting officers are not lower than these are eligible for admission into the elementary lower class.
